MEMORANDUM FOR: Director of Computer Services

SUBJECT: [REDACTED]

1. It is with pleasure that I express my gratification with the commendable accomplishments of [REDACTED] during the past year of association with the War Game contract between the Agency and [REDACTED]. In addition to his activities described in the attached letter, I have found [REDACTED] co-operative and a vital link between myself, as project officer, and the contractors. In all cases, he represented me and the interests of the Agency in a professional and exemplary manner and proved to have a great impact on the major successes of the project.

2. I also wish to express my sincere appreciation to the Office of Computer Services (OCS) for the support, not only of [REDACTED] but through active participation in the project with in-house computers and personnel. To a large measure, OCS support has made possible the existence of the appreciable and continually growing in-house capability to utilize war games in solving complex intelligence problems.
